- 1.3 If four (4) or less events have been completed, then a boat's overall series score will be the total of their event position scores.
- 1.4 If five (5) events have been completed, then a boat's overall series score will be the total of their event position scores, excluding their worst event score.
- 1.5 Boats that do not compete at an event, will be scored with the total number of boats competing in that Champions of Champions event, plus one (1).
- 1.6 A boat is identified by the sail number represented during racing within the Champions of Champions Series, and must continue to use the same sail number throughout the series in order to total together a complete series.
